"FAGGED OUT" WOMEN

Will Find a Helpful Suggestion in This Letter.

Overworked, run down, "fagged-out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt fagged out all the time, was nervous and had indigestion."

"One of my friends advised me to take Vinol and it has done me great good. The tired, worn-out feeling is all gone and I am strong, vigorous and well. The stomach trouble soon disappeared, and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol." Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not we give back your money. Stone & Mercer, druggists, Clarksburg, W. Va.

P. S.—For rough, scaly skin, try our Saxo Salve. We guarantee it.—Advertisement.

This is a famous Arabian fairy tale. The photography is colored and the settings are beautiful.
"THE INDIAN MUTINY."—Vitagraph
We congratulate the Vitagraph Company for producing such a well managed subject. The picture is full of good action throughout and acted by an all star cast.

If these two pictures fail to bring the biggest volume of laughs we have heard in weeks, then we will feel very much disappointed.
